

HIGH PYRENEES Trek

A stunning 10-day hike in Spain and France and of course memorable french and spanish cuisine!

Two beautiful countries, eight stunning hikes, three lively towns and a hotel on a mountain pass, and nine nights in our four favourite hotels... all in a ten day adventure!

Spend a night in Barcelona or Madrid, then hop a high speed train to Zaragoza to meet Martha and our group. Our first stop is the ancient village of Torla, and our hike high on the lush and airy Faja Racón trail.

A hike into France is next, up and over historic Puerto de Bujaruelo pass and down to the delightful little village of Gavarnie. We'll hike to Cirque du Gavarnie's waterfalls and among mountain lakes and terraced alpine sheep farms below more lofty peaks.

Two nights in the Tena valley offer a hike to lakeside Refugio Respomuso for lunch among the alpine peaks, and some fun times in our town with lively bars and street music.

Back to France, to the Vallee d'Ossau, we'll ride a gondola and train 600 m above the valley floor, then enjoy a remote hike to a glorious mountain pass and downhill back to our final hotel at Col du Pourtalet. One more great cross country hike in ibex country, and festive final celebrations.
