

ITALIAN ORTLER ALPS Hike

Savour seven days of pastoral and mountain pass adventures and vibrant cobblestone towns from Bormio to Rabbi.

Meet in Bormio (from Milan or Zurich) and wash jetlag away in Bormio's wonderful hot baths. Walk through the old stone city into Parco Nazionale Dello Stelvio, traverse lush pastures past centuries-old farmsteads, and picnic with up close views of Ortler peaks and Monte Zebbru. Explore the villages, valleys and mountain plateaux of Bormio, Valfurva, Peio, and Rabbi. Traverse over high passes between valleys, or opt to ride with our bags between our four awesome hotels to enjoy less strenuous hikes. In Peio and Rabbi, enjoy lunch at malgas, their high pasture summertime farms that offer local cheese, wines, birra and hearty hiker lunches, with views of the east sides of now familiar Ortler peaks.
